

## Christmas Apron Cards

*Decorated with free red gingham paper and free printable recipe cards*

Our [Apron Card Template](#), is one of our most popular ones, as apart from being so simple and quick to use, there are so many different occasions and uses for this template. You really are limited only by your imagination about what you can slip in the pocket!

Here are a couple of Christmas themed card ideas, using this template.

The first one, uses a couple of freebies, being offered as part of our *24 Days of Christmas Series* and available on the freebie pages.

- Free red gingham backing paper
- Free printable 'Recipe for Christmas' Sheet

The card below, uses the lovely feather trim again (well I have to find a few uses for it, since I bought it), to create a 'Santa' apron, filled with goodies. These gorgeous gingerbread and candy cane buttons from [Calico Cottage Crafts](#), make it so easy to make a lovely tactile and fun card.
