

## Easter Bunnies and Baskets

If you are still looking for ideas for cute Easter cards, bunnies are definitely the 'cutest'. If you prefer just Easter eggs, how about this little notecard, made with the basket and eggs die cuts. Decorate the brown eggs with a white gel pen to make them look iced!

We always try to make the materials available to make our demo cards, as we know how frustrating it can be if you don't have the materials to hand, so if you want to make cards like these and don't have the die cuts, head to the [webstore](#). You can view these cards in full on page three of the 'Other Cards' album in the [photo gallery](#).
