

'Golden Oldie' Record Card

Announcing a new fun card template, to make a [Record/CD card](#), complete with stand, labels and sleeve. The file includes a basic template so you can use your own choice of card, to create a record or CD, for a birthday or even a party invitation. There are also bonus printable sheets, including Father's Day/Father's birthday themed sleeves and printable mini discs, to use on standard cards.

This is a great template for kids to use and my daughter has already made her Dad a card for Father's Day next weekend, using this template.

Record cut from black card, printed label and sleeve from the template

Template includes stand to allow your record or CD to stand up

The template includes mini printable discs to use as embellishments on standard sized cards.
